Thank you for your interest in our community; at Southview Apartments it is our commitment as a partner with the state of Iowa and the department of Housing and Urban Development to provide affordable housing to families who earn less than 50% of the area median income. We provide affordable, high-quality housing in a small community setting. We hope you will find our community to be what you are looking for.

The AGI is the Anticipated Gross Income; the rental rate is based at 30% of the **total** earnings of each household, these Income limits are as follows:

Unit Size	# of Apts. At property	Income limit for a (1) person Household	Income limit for a (2) person Household	Income limit for a (3) person Household	Income limit for a (4) person Household	Rental Rate
Two Bedroom	24	\$34,300	\$39,200	\$44,100	\$48,950	30% of AGI
Three Bedroom	8	\$34,300	\$39,200	\$44,100	\$48,950	30% of AGI

We have a limited number of apartments in each of the price ranges shown above. Figures are subject to change in accordance with the State Income Guidelines, utility allowances and Area Median Incomes. These changes can be made during the lease term and may result in rents being increased or decreased during the lease term. Southview Apartments are a site-based Section 8 and Tax Credit property. Therefore, your income will determine your rental rate. Rental rates cannot be given until actual verification of income, assets, and expenses.
